

Wanted – SLP’s ... Who Have Passion and Heart!

If you LOVE changing the lives of children and young adults in a multi-faceted, private clinic, this may be the place for you.

Our practice houses speech-language and occupational therapies all under one roof. With two locations in the Boise and Nampa, ID area we’re experiencing very rapid growth.

We’re looking for a few dynamic, high-energy therapists to come grow with us. We’re VERY picky about how our clients are treated and the team atmosphere in the clinic.

Every day we change the lives of struggling children by helping them strengthen their skills. Being an average SLP is not good enough. We want people who are on a mission, want to be part of something that is bigger than themselves, and want to help clients break through the limitations that are holding them back.

Boise is a very fast growing, healthy, “outdoors-y” place with a lower than average cost of living. Your money goes a lot further here than most urban areas.

If you’re good at what you do, like people, and love delivering an amazing client experience, you need to contact us, but call soon—we are ready to get started immediately. Email resumes to kirstenulias@boisechatterbox.com or call 208.466.1077.
